REMARKS

RETURN TO CIA LIBRARY

25X1

An air force detail estimated at 150 men was observed at the fuel and oil dump at the VELTEN (N 53/2 66) harbor.

25X1

25X1

Comment:

a. A fuel distributing point is assumed to be located in VELTEN. Mostly army units are supplied by this dump but fuel shipments to air force units were also often observed. It is assumed that motor vehicle gasoline is being distributed from VELTEN. The distribution of aviation gasoline has not been observed.

25X1

b. Motor vehicle assigned to a fighter unit; the other mentioned motor vehicle army unit. This is the first information on the presence in VELTEN of air force personnel.
